Dear Student,

Greetings of the day!

Kudos!! We've received your application for the role of Associate Software Developer. Sharing a detailed drive plan with you for the Test Process

Here is the detailed timeline:

**Drive Date: 25th July 2025 - Friday**

**Associate Software Developer:**  
**Reporting Time: 12:45 PM**

Phase Test	Tech MCQ Coding Round 1	Tech MCQ Coding Round 2	ELQ Round
Position	Associate Software Developer	Associate Software Developer	Associate Software Developer
Date	25th July	25th July	25th July
Venue	Own Campus	Own Campus	Own Campus
Time	1:30 PM (90 mins)	3:30 PM (90 mins)	5:30 PM (45 mins)

*Please note that all the rounds are elimination rounds, the students will be moved to the next phase only after clearing the previous one.*

Assessment link for the Objective Round will be shared by **10 PM today on the registered email id.**

Students are requested to thoroughly read the instructions and keep the Safe Exam Browser setup ready before the drive time to avoid any last-minute hassle before & while attempting the test.  
The prerequisites and installation guidelines are mentioned in the given link. Please install the SEB from here : <https://help.pod.ai/portal/en/kb/pod/test/safe-exam-browser>

Please Note:- In our endeavor to make Pod's test platform smarter in order to filter out the candidates indulging in malpractices while taking the test, multiple new features have been introduced since you last attempted the test. These features will help us in tracking the candidates who try to cheat or share questions on multiple platforms.

The details of such candidates shall be shared with the T&P department and we will ensure that strict disciplinary action is being taken against them. We, therefore, advise the students to focus on attempting their own test & exiting the platform as soon as they're done with it.

Feel free to reach out to us if you need any assistance at any point of time. We would be happy to help.
